2 World Premieres by R. Murray Schafer

Toronto audiences will be treated to two theatrical premieres by R. Murray Schafer, one of the most original and creative figures in Canada: "La Testa d'Adriane", a magical spectacle involving two performers, and "Loving/Toi", an audio-visual poem for actors, singers and instrumentalists, staged for the first time in its entirety with the assistance of George Luscombe.

The program also includes the Toronto premiere of "Interplay" for string quartet and accordion by the distinguished Vancouver-based composer Barbara Pentland.
