

New Music Concerts

Music-Theatre Satires on Satie & Wagner

featuring:

Grupo de Acción Instrumental de Buenos Aires

This provocative and innovative ensemble, making its North American debut, has delighted European and South American audiences with its new concept of music-theatre.

programme:

Erik Satie, *Gymnopediste*

a multi-media collage on the life and music of French composer Erik Satie

Sigfried *Über All*

a surrealistic new version of Wagner's Ring Cycle
