

DIETER SCHNEBEL

Free

Lecture/Performance by

German Composer Dieter Schnebel

March 30 8:00 pm

Hart House Music Series

University of Toronto

1

Schnebel lectures on new music in Germany today, focusing on his own compositions.

2

The composer performs KMSW for solo interpreter. KMSW combines vocal and gesticulatory elements – breathing, vocal sounds varied by throat, tongue and embouchure, and movements of head and hands.

“I conceived this piece as a quasi-experiment...an approbation and a personal experience.”

Co-sponsored by the Goethe Institute, New Music Concerts and Hart House, University of Toronto
